

EQUAL PAY POLICY

Coastworks Operations Ltd (CWOP) are committed to the principle of equal pay for all our employees. We aim to eliminate any sex bias in our pay systems.

We understand that equal pay between men and women is a legal right under both domestic and European law.

It is in the interest of the organisation to ensure that we have a fair and just pay system. It is important that employees have confidence in the process of eliminating sex bias. As good business practice we are committed to providing equal pay.

We believe that in eliminating sex bias in our pay system we are sending a positive message to our staff and customers. It makes good business sense to have a fair, transparent reward system and it helps us to control costs. We recognise that avoiding unfair discrimination will improve morale and enhance efficiency.

Our objectives are to:

- Eliminate any unfair, unjust or unlawful practices that impact on pay
- Take appropriate remedial action if required
